

High visibility safety vest with flame retardant properties  
designed to integrate a full body harness

### INTELLIVEST FR 551

(flame retardant, Hi-Viz yellow)

### INTELLIVEST FR 552

(flame retardant + ANTISTATIC, Hi-Viz orange)

|                                                                                                             |                                                                                                                                                                                                                                                                                                                                |             |                           |             |
